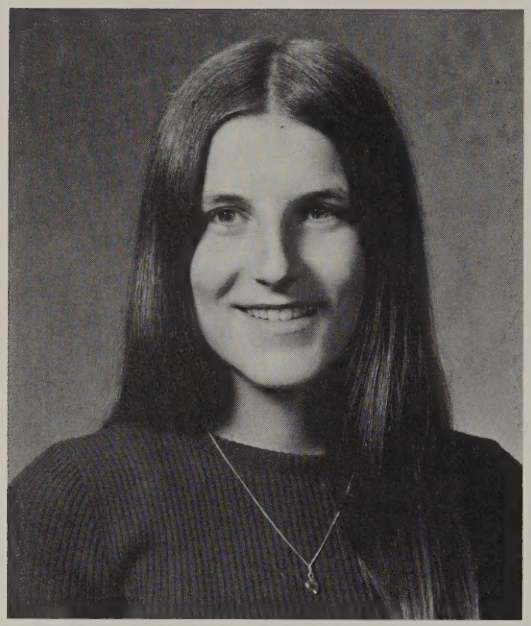
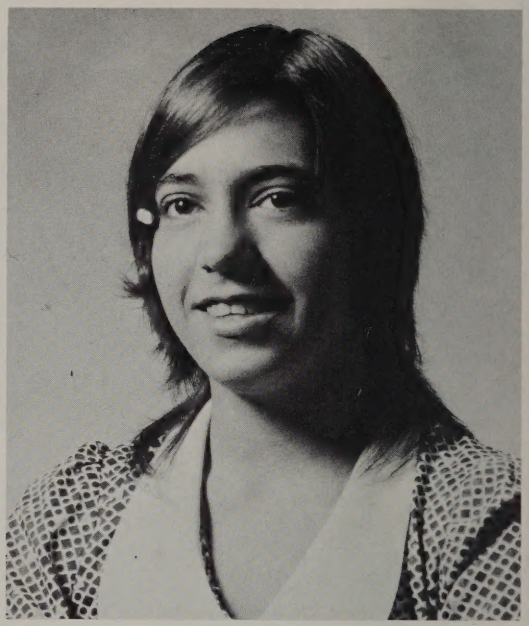
HIGH SCHOOL

Foreword



CATHERINE LEE BACON



KAREN THERESA BRASSARD

Although the years at Oxford High School are only a small percentage of our lives, the Class of 1974 will forever cherish their fond memories of these years. We have experienced the pride of victory and the pain of defeat — the joys of life and the responsibilities of living. Through the educational milieu of OHS, we have come to know the true beauty of lasting friendships.

We, the Class of 1974, hoping to express deep appreciation to all those involved in making those high school days a worthwhile experience, would like to present a collection of thoughts and memories of our years at OHS.

MRS. RENA PRUNIER

Dedication

In appreciation for all her help throughout our years at OHS, the Class of 1974 would like to dedicate its yearbook to Mrs. Rena Prunier. Many times gratitude felt is not expressed, but we do not believe that such patience and kindness as she has always shown to us should go unrecognized.

We sincerely hope that, in some small way, these pages will repay her for the many hours she has spent in making our five years at OHS worthwhile ones.

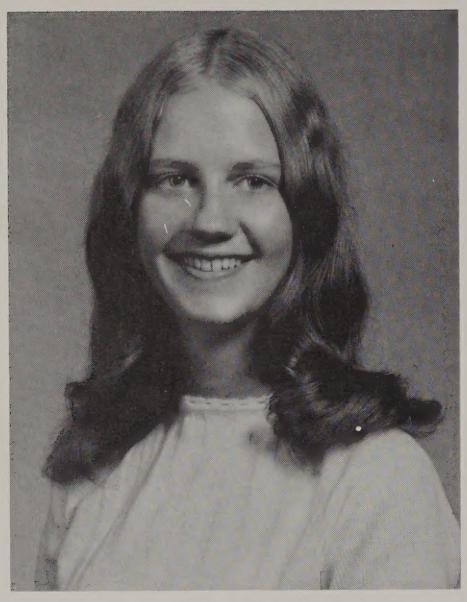
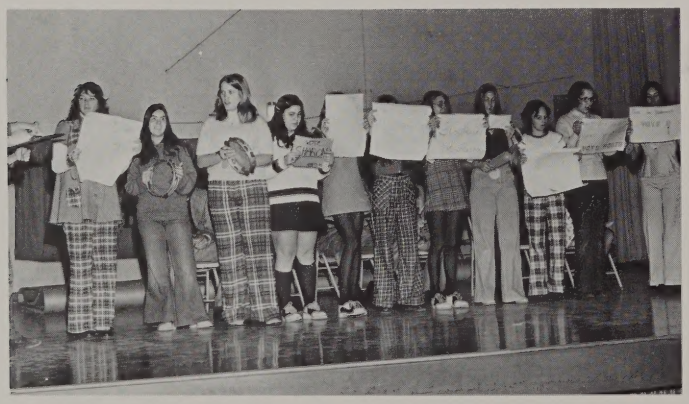
"Pieces Of April"

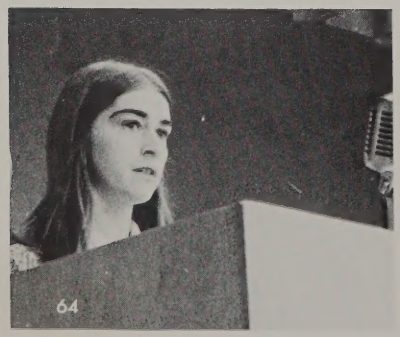


MARGARET RIVERS

Good Government Day Representative

The Good Government Day Representative is elected by the student body to represent OHS in Boston on Good Government Day in April. At that time, elected representatives from high schools throughout the state serve as our state officials for the day. Our representative, Margaret Rivers, has the added distinction of filling the post of Attorney General.





D.A.R. Representative

Annually, the Daughters of the American Revolution honors a senior girl who has the characteristics of dependability, service, leadership, and patriotism. From the 300 participating schools, a state representative is selected. We were pleased that Sharon Bouthillette was chosen as our representative from OHS.

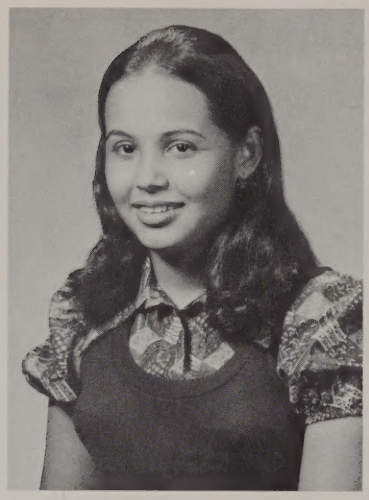
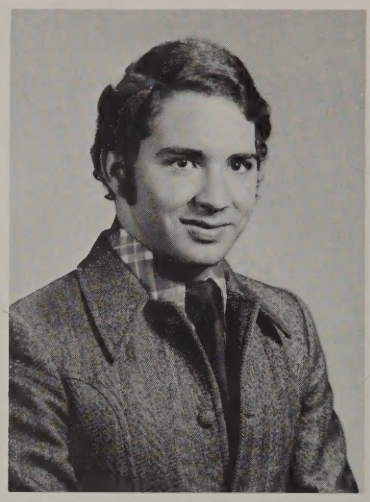
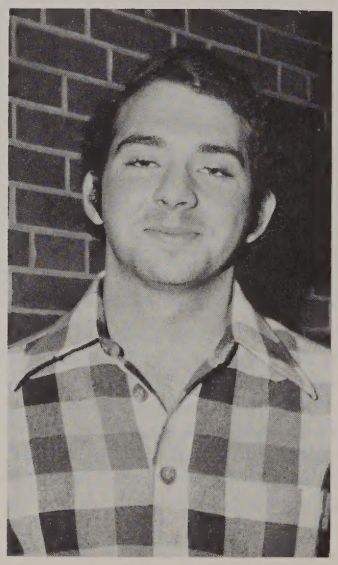
Foreign Exchange Students



CARMEN MARINA ALBIR



OSCAR FERNANDEZ



Carmen Marina Albir from Ocatal, Nicaragua and Oscar Fernandez from Medellín, Colombia were Oxford High's foreign exchange students this year. Carmen arrived November 28. The many friends she made at our school were very sad to see her leave in February. Oscar arrived in mid-December and left the same week as Carmen. We will always remember his cheerfulness and friendly personality.

Two members of the senior class, Ruth Hull and Karen Brassard were Oxford High's participants in the exchange program. Ruth spent her summer in San Salvador, El Salvador, and Karen stayed in Mexico City, Mexico. Both enjoyed their visits very much, but were glad to return home.

Precious memories
locked away,
All these memories
they shall stay
In our hearts
in our life
In our sorrows
through our strife,
Never forget
those times before
Memories kept
by the Class of '74

by Carole Hamilton
